

NEW!

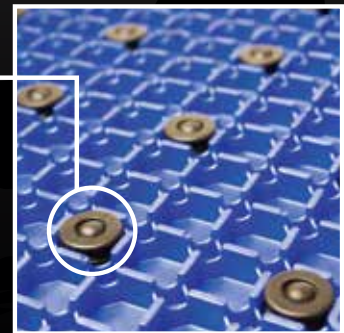

50-50TM by SnapSports[®]

BIGGER IS BETTER!

LARGEST MODULAR SPORT FLOOR ON THE PLANET!

- Industry's largest module guarantees **over 70% less seams** for superior ball play and safety during high impact play
- Patented **ShockTower[®]** dual-stage technology option available
- Patented **ShockLock[®]** lateral impact system absorbs impact and stays locked at any level of sport
- **SnapSportability[®]** – Fastest deployment of any modular sport surface
- Conforms to international play standards
- Locks are not stressed, damaged or weakened even after hundreds of installations
